

IMS POLICY

McKinty & Wright Solicitors are conscious of the need to:

- Achieve, sustain and improve the actual Quality/Environmental Objectives provided in a manner that will continually meet the stated need of the Practice's Clients in a cost effective way.
- Provide a documented assurance to Clients/Contractors and Staff that the intended level of service will be, is being and has been achieved.
- Establish and maintain a commitment to continual improvement in Quality/Environmental Performance, Objectives and targets which comply to relevant Legislation/ other legal requirements and in house programmes in order to encourage Prevention of Pollution and pursue quality of service.
- Aim to influence and encourage Clients/Contractors and Staff to adopt sustainable development Principles.

To achieve these objectives McKinty & Wright Solicitors have decided to implement an IMS conforming to BS EN ISO 9001/ EN ISO 14001 as detailed in the IMS Policy Manual.

The IMS will be used by all staff from the 01/05/2017 on all activities, where Quality/Environmental services are provided by McKinty & Wright Solicitors. The Managing Partners delegate the task of developing the IMS to the IMS Manager and its implementation to all staff.

Compliance with the requirements of the documented IMS is mandatory for all staff.
